Description: From a terrific new voice comes a standout debut thriller in the vein of *What She Knew* and *I Let You Go*. "Emotionally charged and tautly plotted, Emily Elgar's debut is a stunning example of psychological suspense."—Clare Mackintosh, international bestselling author of *I Let You Go* and *I See You*
A woman in a coma. The man who could save her life—if only...

Review: Very well written story keeping up with and surpassing your expectations. For a first novel it is excellent, wondering what she may have for a second. Im buying it regardless. The ending is as expected but I had hoped for something else. Again, this is just me, and offered not as a criticism but just as a thought after finishing it. All in all, its...
